RECORD OF TOWN MEETING

Dunbarton, N. H., March 10, 1931.

Meeting called to order and warrant read by the Moderator, John W. Farrar.

By consent of the meeting proceeded to take action on Article 14 in the warrant.

Motion made by John G. Pride.

We appropriate the sum of \$3,500 available any time after the town meeting in 1931, and drawn as needed, for the purpose of extending the Electric Light line to the following projects. The allotments to each as follows:

\$400 for what can be known as the Stark project.

\$400 for the Marky project.

\$1,200 for the Long Pond project.

\$1,500 for the East Dunbarton project.

In case any or all of these projects fail of completion in 1931, it is agreed that the allotments to these several projects remain in the treasury and be a liability against the town for this purpose only, for three years or until the town meeting in 1934, to be then dealt with by vote of the town.

A committee of five to meet with the Public Service Commission to get the best possible terms for the benefit of the town.

Chose for committee: Henry Milburn, David Story, Charles Meekins, Frank E. Garvin, John M. Stark.

Amendment offered by Iru M. Waite. That this motion, if carried, to become effective when, and if, after consultation with legal authorities, the action of the town is found legal.

Amendment to amendment, offered by Albert L. Grant. That if the action of the town in appropriating money is found illegal, that enough street lights be installed on these projects to make said action legal.

REPORT OF SCHOOL BOARD

To the Inhabitants of the School District of Dunbarton:

Your school board submits its annual report for the year beginning July 1, 1930, to the present time.

We wish to show our appreciation to teachers and parents for the splendid cooperation they have given the past year.

New flag poles have been purchased and set up on all the school houses. It was unsafe for anyone to climb the old ones to replace broken ropes or make any necessary repairs, so new flag poles were placed on the buildings.

A new ruling has been made that children at the age of five and one-half years the first day of September shall be admitted to the schools at the beginning of the fall term of that year.

We were pleased that so many parents were interested enough in the Diphtheria Clinic last fall to send their children. The value of the clinics cannot be estimated and great effort has been made by the State and Community Club of the town to make them successful.

Respectfully submitted,

WESTON P. LORD,
EVA A. TUCKER,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Dunbarton:

This is my fourth annual report. It will deal with the following topics:

- (1) Statistics of our schools.
- (2) School buildings and equipment.
- (3) Music supervision.
- (4) The George Washington Bicentennial.
- (5) Community cooperation.

GENERAL STATISTICS FOR THE YEAR ENDING JUNE 30, 1931

SCHOOLS	Number half-days school in session	Average membership (number of pupils)	Per cent of attendance	Number half-days absence per pupil	Number tardiness per pupil	Number visits by superintendent	Number visits by school nurse	Number visits by school board and other citizens
Centre	354	24.3	94	21.2	3.9	15	8	17
S. Dunbarton	354	10.8	95.8	14.8	0.7	10	7	43
Montalona ..	354	19.2	94.8	18.4	0.7	11	8	45
Waite	354	11.2	98.5	5.4	0.8	11	7	103
All schools .	354	65.5	95.3	16.6	1.9	47	30	208
State of N. H.	357.1	95.5	1.08

Since last year's report our record of attendance has improved until it is very nearly as good as the average of the state as a whole. Tardiness, also, has become less, and in all schools except Dunbarton Centre there is a splendid record in this respect.

This present year, the Waite is our smallest school, with only eight pupils enrolled. Next year it seems likely to be still smaller.

SCHOOL BUILDINGS AND EQUIPMENT

South Dunbarton has taken its turn at school repairs this year. New windows have been added, and provided with washable window shades. The schoolroom has been repainted a light buff color, and equipped with one new blackboard. The passageway to the toilets has been separated from the woodshed, so the children need no longer be in danger of a falling woodpile.

The Waite school has a new concrete doorstep, and Montalona a substantial woven wire fence around the playground in place of the barbed wire which is contrary to law in New Hampshire.

For the Centre school, a few new seats were purchased. Two of our schools are now equipped with modern adjustable seats and desks. The desks at the Waite and Montalona schools are badly worn, and should be replaced as soon as funds permit.

MUSIC SUPERVISION

Three districts, Dunbarton, Weare and Henniker, have combined to secure the services of a music supervisor for the present year. We have employed Lucile Thompson, a graduate of the music course at Keene Normal School. She spends one day of each week in Dunbarton, two in Henniker and two in Weare. In my opinion, and I believe also in the opinion of the teachers, she has proved herself very capable, and is securing excellent results.

THE GEORGE WASHINGTON BICENTENNIAL

February 22 of this year marked the two hundredth anniversary of the birth of our first President. To plan a fit commemoration of the event, there has been appointed by act

of Congress the George Washington Bicentennial Commission, which stands ready to cooperate with educators and other local workers in a celebration which shall last from February 22 till Thanksgiving Day, 1932.

Much material has been prepared by the Commission and is available for the use of teachers. A large framed picture of Washington is being provided for each school. Celebration of this anniversary should include special instruction regarding the life of Washington, as well as special public programs in his honor.

COMMUNITY COOPERATION

In my last report, I suggested that Dunbarton people visit schools more often. It is gratifying to note that the number of visits by citizens has increased since that time, from 132 to 208. Your interest is much appreciated. Let's make the record still better.

Another suggestion made last year related to the record of tardiness in our schools; and our children and their parents certainly should be given credit for the fact that in 1931 every school in town reported fewer tardinesses than the year before. This is another good record to be maintained.

The Dunbarton Community Club this year is making plans for a public speaking contest for the pupils in Grades 7 and 8 of our schools. We are grateful for their helpful interest, as shown by this project.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent of Schools.
